James Gilder is to be ordained Deacon at Chelmsford Cathedral in September. To mark the occasion, he has been presented with a stole from his former parish of Reedham. On the right are some details from the Stole. The colours echo the East Windows in Reedham Church, and other symbols represent St Andrews, Sandon, Essex, and St Mary the Virgin, Harlow, two other churches where he has been an active member of the Church community. The Scallop Shell is for St. James.

Peak holiday season begins this month. “Holiday” of course derives from “holy day” – harking back to when a break from labour occurred in order to observe a religious festival. That connection has been severed; but there is still a Biblical basis in the concept of the Sabbath. Just as one day of rest is set aside each week, so within the year there should be periods set aside for rest, recreation and refreshment.

Keeping the Sabbath is one of the Ten Commandments, which are listed twice in the Old Testament. This is one of the few of the Ten for which a reason is given – but the justifications are different. In Exodus 20, reference is made to the creation story in which God rested on the seventh day, his work complete. This divine precedent ties the Sabbath into the godly ordering of creation – it’s the way things should be. Moreover, the seventh day is marked out as “holy” – set apart for God: a chance to reflect, pray and be thankful. So we return to the idea of a holiday as holy time. Freed from the pressure of work, there is space to reflect, to take a different perspective on life. One of the pleasures for me is worshiping at a different church (where I don’t have to conduct the service!). Even if you don’t regularly go to church, it’s something you could do – you’ll be made just as welcome. Even more people visit a church or two when they are on holiday: that in itself is a spiritual experience – as visitor books attest, most appreciate a sense of light, space and peace.

In Deuteronomy 5 the justification is different: “remember that you were slaves in Egypt”. Presumably the Hebrew slaves didn’t get a day off! Remembering the harshness of incessant labour was justification enough to set apart a day a week out of gratitude to the God who had brought them out of that situation. But there is another aspect: the commandment emphasises that the slaves and servants of the Israelites should share in the Sabbath and rest as they do. The Israelites are to be better masters and mistresses than the Egyptians.

When it comes to holidays that hardly applies: hotel and restaurant staff, visitor attraction and travel staff, accommodation cleaners – these and others have to work so that we can relax – not to mention those who are holding the fort back home. We are fortunate to live in an area where other people come on holiday – so see more of both sides. It’s something else to be thankful for when we take a break; to ensure that those who serve us feel appreciated; to hope that they are fairly rewarded and enjoy their own break from work at another time.

In the love of God,

Martin Greenland

### Ecumenical News

Ecumenical activity naturally focuses on locations where different denominations have places of worship – in our area that now means Acle and Freethorpe. But the relationship based in Freethorpe also extends to Halvergate (where until recently there was a Methodist Chapel) and Reedham (through the joint *Open the Book* Team, which acts out Bible stories in Reedham and Freethorpe Primary Schools). *Open the Book* nationally is celebrating its 20th birthday this year, so we decided to mark it at our summer Joint Service, which this year will be held at Reedham: 11.00am, Sunday 7th July – our team will be performing as part of the service.

This month we say farewell to local Methodist Minister Steve Cullis as he and Julie move to Wymondham. Steve has been a joy to work with on the local ecumenical scene. He will be participating in the joint service; his farewell will be at Acle Methodist Church on Sun 21st July at 3.00pm. In the autumn we will welcome in his place the Revd Andrew King, who has past connections with the area.

**Acle Versus Arthritis Support Group** meets on the second Tuesday of each month from 10 until 12 Noon at Acle Library. ## Sea Sunday

Most of the goods we import come to us by sea. The *Mission to Seafarers* ministers to the international crews who bring them to our shores, often away from home for long periods and sometimes exploited. We will be celebrating *Sea Sunday* on 14th July at Limpenhoe at 9.30am and Acle at 11.00am (with thanks to the Revd David Casson). On the same Sunday, the preacher at Reedham will be Reader Keith Gerrard, our Deanery Lay Chair.

## REEDHAM PARISH COUNCIL

13.

Meeting held on Monday 3<sup>rd</sup> June 2019 at Reedham Village Hall

There were 7 Councillors present, the Clerk, County Councillor Brian Iles and District Councillor Grant Nurden. 3 members of the public were in attendance. The Council meeting commenced at 7.30 pm.

Mr Malcolm Edge was co-opted onto the Council. There are currently 4 vacant Councillor positions. Please contact the Clerk for further details.

Delays to the software for the new signalling system on the Berney Arms rail line have delayed its opening.

District Councillor Nurden has visited the Recycling Manager at Broadland on several occasions to enquire about the overflowing bins on Riverside. They are very aware of the problem and are trying to find a solution for the short, and long, term.

The Chairman of the Village Hall Committee Chris Bradbury gave the following report: there were no issues with play equipment safety inspection for June. The May Cash Bingo jackpot was won, the lucky winner getting £300, so the jackpot now stands at £200 in 45 numbers or less.

One planning applications was received: a single storey extension to replace the existing bathroom (revised proposal) at Oak Tree Cottage, 4 Witton Green, NR13 3HH. The Council had no objection.

There was 1 recorded crime in Reedham in May, a public order offence on Ferry Road.

A very positive meeting was held between the Parish Council and the landowner in the negotiations for the reopening of the Permissive Path. The wording for the new Agreement is close to being finalised. A further meeting is planned for the beginning of July.

The Speed Sensor readings for May gave an average speed on Station Road of 31.3mph in a 30pmh zone. The previous reading was 31.6mph. 13,000 vehicle movements were recorded. If you have a location you would like considered for the Speed Sensor please contact the Clerk or Cllr Simon Pittam.

Mr Terry Snell has retired as the Area Poppy Organiser. The Parish Council would like to take this opportunity to thank him for all his hard work over the last 12 years.

Reedham District has raised an amazing £35,000 over this time!

The waste bins on Riverside provided by Broadland District Council are for river users not domestic waste. Please use your own bins as overflowing public bins give an untidy impression of our lovely village. Broadland District Council are making enquiries as to who is using their bins.

Do you know who owns the plot of land half way up/down Middle Hill? Please contact the Clerk if you have any information.

Please continue to use the Parish recycling bottle banks on Riverside and at the Village Hall. These bring in funds for projects around the village.

### **Time and Date of Next Meeting.**

Monday 1<sup>st</sup> July 2019 at 7.30pm in the Village Hall. All parishioners are welcome to attend.

DOG FOULING IS AN OFFENCE. PLEASE CLEAR UP AFTER YOUR DOG.

THERE IS A **£100** IN BROADLAND FOR NOT CLEARING UP AFTER YOUR DOG IN A PUBLIC SPACE. IF THERE IS NO BIN NEARBY TAKE IT HOME WITH YOU.

Please visit Reedham's website for news and local events:

## Churches Trust Cycle Ride

14.

**Please pump up your tyres, or dust off your walking boots, pack a picnic and plan a route to visit as many of the most beautiful churches in Norfolk as you can on the 14 September 2019.**

The annual Bike Ride is an excellent way of making money for your own church as well as the Norfolk Churches Trust. This year the trust is offering a £1,000 prize to the most improved church. i.e the church that raises the most money compared to last year.

- Please do remind people to take a camera and send in their pictures. We will choose three of our favourites to receive £50 prizes but we also use the pictures for social media and we try and use some for an article in the EDP.
- We are delighted if people drive round the churches if they don't feel like jumping on a bicycle. This is becoming more popular each year.
- **Justgiving** makes it easy to raise money from family and friends. See website for details. <https://norfolkchurchestrust.org.uk/bike-ride/taking-part/>
- The person who raises the most money receives a certificate from the Prince of Wales.
- For the more competitive, the Wall of Fame on the website records the people who manage to visit the most churches in the day by Bike and Walking.

## Lego Tokens - EDP

An incredible 5,765 Lego tokens were collected for the Reedham school thanks to a fantastic community and friend's effort. The school would like to thank all who contributed to this; details of the outcome will be given when known.

## Beighton Summer Fête and Strawberry Teas

After the monsoon season during the preceding week, Beighton basked in gloriously warm sunshine on Saturday 15th June. A good number of visitors participated in the Fête, Auction and Strawberry Teas enjoying a range of traditional games, delicious food and the auction conducted by novice auctioneer Ian Masters, formerly of Look East. There was a wide variety of items to tempt bidders from vouchers to a tour of the Cantley Sugar Factory to a Flying Experience and Balloon Flight. A signed 2018-19 NCFC pennant was hotly contested, along with the offer of a dinner party cooked for the winner.

At the end of an exhausting but brilliant day, a total of £1,800 was added to the Beighton Church Restoration Appeal. Huge thanks to all the team who made this possible and everyone who supported the event.

P.S. After all receipts and expenses taken into account, we have made a staggering £2,150.24.

## **IMPORTANT! Outlook Copy Date and Folding.**

**15.**

Because of family commitments, Copy Date will be exceptionally early this month – Friday 12<sup>th</sup> July. Any pictures for the cover need to be in even earlier.

Also, we are getting very short of people able and willing to come and fold and staple the magazine in Reedham. This usually takes place on an agreed afternoon between 20<sup>th</sup> and 24<sup>th</sup> of the month. If there are enough volunteers, a rota can be arranged. If you could help, at least on occasions, please contact Sue Arnold on 01493 701195. We could also do with some more people to deliver – at present Ferry Road and part of Church Road are not covered, at least temporarily.

## **Reedham Village Show**

Please take a few minutes to look through the schedule, included with this month's Outlook. Everyone is welcome to enter. With flowers, fruit, vegetables, craft, cookery, photography and children's art work it makes a very colourful show. The blanket for the Special Care Baby Unit can be multicoloured. It only needs approx.. 120 gms. double knitting yarn and a pair of No. 8 needles. Cast on 1 stitch, increasing 1 stitch at the beginning of each row to 140 stitches. Knit one row, then decrease 1 stitch each row to the end. Cookery and photography are also very easy to enter.

## **Reedham Gardening Club**

Now we have had some rain everything is growing rapidly. We need to watch for pests such as bright red lily beetles, slugs and snails. Try to use environmentally friendly controls. As the birds fledge, hedges can be cut in August. Please see if you have any flowers, fruit or vegetables suitable for the Show – they do not have to be perfect!

## **I.T.**

It was pleasing to have new participants join the group at the recent session. There is still plenty of room for any others who seek to improve their skills or wish to unravel any problems with computers, tablets, i-phones etc.

Due to work and holiday commitments we will have to suspend meetings for July and August. Refreshed and invigorated, September will see a resumption and hopefully some new faces. We look forward to welcoming you to another successful period of I.T. education for all at Reedham Village Hall. Again, it will be the second Monday of the month, 9<sup>th</sup> September 2019 at 2pm.
