## New Year Notes from a Nun

3.

Firstly, Happy New Year to you.

I wonder what you were given for Christmas. Something nice, I hope. I wonder if you received something you know you're never ever going to use. A pair of the wrong size socks perhaps? A chocolate tea pot? An inflatable dartboard? I wonder what Joseph and Mary did with the gifts given to them by the three Kings.

We remember the Kings' visit to the manger on 6th January, The Feast of the Epiphany. The Kings brought Jesus gold, frankincense, and myrrh. Gold was associated with wealth and symbolised Jesus' kingship; He is the King of Kings. Frankincense is a resin and was used in the temple during worship; this symbolised Jesus' divine nature and His role as High Priest, the Priest of Priests if you like. Myrrh is a resin that was used for anointing and embalming; this pointed toward Jesus' suffering and death on the cross. These three gifts were unusual and may have left Mary and Joseph pondering over why they had been given to their baby. They were expensive too; some say the gold was sold to fund the family's travels.

On 11th January we celebrate the Baptism of Jesus. I wonder if you were baptised. Although I was baptised as an adult many of us will have been baptised as babies or young children. This rite symbolises a spiritual rebirth, a new start, a special union with Jesus. It too can be seen as a gift. What did we do with this gift? We may not have been old enough to understand we had received anything but perhaps we may wish to reflect on it a little now.

18th January sees the beginning of the Week of Prayer for Christian Unity when Christians from different Churches - Church of England, Roman Catholic, Methodist, Baptist and others - meet, eat and worship together. Can we see those from other Churches as gifts too, each bringing their own offerings to the bigger Christian picture? Or we may choose to disregard them.

What of your own gifts? We all have them, there's not one of us who doesn't. Are you a gifted gardener? Perhaps you can sing? You may be a good listener. Whatever you're gifted at, use it; please don't disregard it. It's your special offering.

So, in this New Year, may we celebrate the gifts we already had before Christmas, as well as those we were given this time round, even if it included a 2026 calendar of 'Inspirational Car Parks of the United Kingdom' (someone else may really appreciate being given that...).

Lots of love, Sister Elizabeth Pio, Sisters of Bethany

## Parish Notes

4.

January brings the usual variations to our services as we join with our Methodist sisters and brothers for their New Year Covenant Services: no services at Freethorpe All Saints, Halvergate or Reedham on Sunday 4th (11.00am at Freethorpe Methodist Church) or at Acle St. Edmund on Sunday 18th (11.00am at Acle Methodist Church).

The latter Sunday is also the first day of the Week of Prayer for Christian Unity: that will be marked at the service at Swallowtail Place, Acle at 10.30am on Tuesday 20th (in the Games Room; visitors welcome).

On Sunday 11th we gather at Wickhampton for the annual Blessing of the Plough: dress warmly and, if you wish, bring along a garden tool or seeds to be blessed!

We are likely to be simplifying our pattern of services at Beighton, Freethorpe and Reedham: details will appear in February Outlook. For now, just note that there is no service at Freethorpe All Saints during January, but there will be Holy Communion on February 1st.

## Parish Registers

### Funerals

We commit to God's keeping:-

Clifford Alan Curtis, aged 93, on 24<sup>th</sup> November at St Edmund's, Acle

Brenda Ann Tovell, aged 89, on 8<sup>th</sup> December at St Edmund's, Acle

### Reedham Belles (W.I.)

We had a very enjoyable evening at the Pier Hotel in Gorleston for our Christmas meal in December and finally completed our treasure hunt in Cambridge. Book club met as usual in the Ship and several members took part in the carol singing around the splendid tree by the river. We were lucky with a beautiful sunny day for a guided walk around Great Yarmouth, taking in many of the interesting sights there, including a visit to the archive section of the newly located library.

Our January meeting will be held on Tuesday 6<sup>th</sup> January at 7 for 7.30pm in Reedham Village Hall where we will be holding our traditional gift amnesty auction and looking forward to planning another year of action in the company of a group of formidable, yet very friendly ladies! Why not join us? New members are always welcome.

## **The Royal British Legion Poppy Appeal 2025**

**7.**

I am delighted to announce that the total raised in Acle & District for the Poppy Appeal 2025 is the fantastic amount of £13566.37. "Thank You" to everyone for your generous donations. This charity really can provide help that is life changing for our ex-servicemen, ex servicewomen and their families. My thanks to all the shops, businesses, schools, churches & parish councils for your support. A particular shout out to my wonderful team of helpers who carry out the door-to-door collections. It really does make a difference.

### **Acle & District Royal British Legion**

The branch finished the year with an excellent well attended presentation on V2 Rockets in East Norfolk.

Our first meeting of the new year will take place on Wednesday 7 January in the Bure Room, Acle Recreation Centre starting at 7.15pm.

If anyone would like information about our meetings or joining the RBL, please call Jayne Smith on 07584 825749 or

### **Access for Acle – The Gospel Choir (see back cover)**

This last event of the social and fundraising was a smash hit with a much larger attendance than was expected considering the bad weather conditions. Martin led the service with members of the church reading passages from the bible. John Froggatt from The Canal Ministry gave a powerful message for the Christmas season related to the 1968 Christmas message televised from the moon by the US astronauts who read the famous passage from Genesis. "In the beginning....."

Most of the attendees stayed for refreshments of mulled wine, mulled apple juice, mince pies, panettone and stollen.

We wish you all a very peaceful and joyous Christmas season from everyone at St. Edmund's church!!

### **Cantley & District W.I.**

Let us start by wishing everyone a Healthy and Happy New Year.

Our next meeting will be held in Cantley Village Hall on Wednesday January 21st at 7.30pm. The title of Phillip Mariners talk is 'Have Camera, Will Travel'. For more information contact Barbara on 07789845050. New members always very welcome.

Meeting held on Monday 1st December 2025 in the Village Hall

There were 6 Councillors present, the Clerk, District Councillor Nurden and 2 members of the public.

The Clerk gave an update to the Council:

The allotments reed bed has been cut.

A thank you card has been sent to Terry Snell for the planting around the War Memorials.

D. Cllr Nurden advised that applications for the Future for Nature Fund close on Friday 5<sup>th</sup> December.

The Clerk had a meeting with The Conservation Volunteers (TCV) at the Woodland Walk and received the additional information necessary to complete the Future for Nature Fund grant application.

Cllr George reported that the Christmas tree is now in place, the lights are working, and the school decorations will be put on the tree shortly. Sponsorship money is continuing to come in, with one payment not yet identified. Event planning is almost completed. Cllr Pittam has agreed to attend the Christmas events as the first aider.

Cllr Hale thanked Cllr George and the working group for all their efforts in bringing the Christmas tree project together.

Jerome Mayhew MP visited Reedham on Friday 14<sup>th</sup> November and met with councillors to assess local views on the mooring charges at Reedham Quay. Currently there is very little opposition to the charges, however Jerome Mayhew said he is happy to support any action the Council wish to take.

The proposal to organise a village petition regarding the mooring charges at Reedham Quay was not seconded, no vote was taken.

The Village Hall defibrillator has been recalled by the East of England Ambulance service as it has reached the end of its life. A quote of £850 has been received from Heart2Heart for a replacement, which was the lowest price when compared with other suppliers. It was also noted that the Riverside defibrillator, purchased in 2011, may need replacing soon as spare batteries are no longer available.

The Public Spaces Protection Order regarding dog fouling has been extended and the Council have been supplied with two signs to put up in the area. One sign to be situated at the top of Middle Hill, and a suitable post near the playing field to be identified for the other sign.

In November the speed sensor was located on Mill Road, facing North, near the junction with Church View Close, collecting data from traffic coming towards the school. The speed limit here is 30mph.

The 85<sup>th</sup> percentile was 27.3 mph; the average speed was 19.4 mph. The average vehicles per day was 617.

### **Time and Date of Next Meeting**

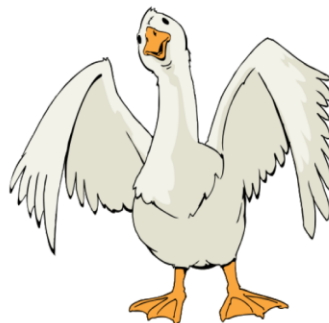

The next scheduled meeting of the Parish Council is Monday 12<sup>th</sup> January 2026 at 7.30pm, in the Village Hall lounge. Further details will be published on the website, Facebook page and notice board by the Surgery nearer the time. All parishioners are welcome to attend.

## OVER FIFTIES CLUB AND LOTTERY

We have had a very busy month. At the end of November, we had our Christmas party at the village hall with our grand Christmas Raffle. We had 61 prizes, with a giant hamper for first prize; the hamper was donated to the club by Jane Ryan and it was won by Dennis Ewles. The buffet was prepared by Wendy Gitsham, Sally Cory and the committee. Thank you to all the members that donated to our Xmas food kitty. We invited some residents from the Old Rectory Care Home at Acle; they thoroughly enjoyed themselves and members were all pleased to see Violet Sparks, who used to be a member of our club.

On December 3rd members attended Acle Bridge for their Christmas lunch, Vanessa, Phil and their staff provided a wonderful lunch and we cannot thank them enough for once again looking after us so well.

We are now closed until January 13th when we re-open\*, so if you are thinking of joining us, please just turn up at Reedham Village Hall at 1.30pm. Our yearly membership is £7.00 and weekly subscriptions are £3.00. Refreshments are provided free. Every month we have a buffet for members with birthdays, we have a Christmas party and a Christmas lunch which are free to members. Club calendars are available free to members that request one. We have a free raffle every week, and once a month we have a cash raffle to raise funds. I run a lottery for £1.00 per week which is available to members and non-members to raise funds. We have been very fortunate this year winners of our lottery have given the club a donation, and some members have donated to our food kitty. These donations all help towards our club buffets etc. We thank members who bring us raffle prizes and bingo prizes. We play a bingo flyer at the club which is free to members and the cash prize increases every week.

So if you would like to join us come along January 13th 2026. We are open to all surrounding villages, if you do not have transport give me a ring and if we have someone in your area we will try to help you.

### LOTTERY NEWS

At the time of going to print the lottery is still running so someone could be in for a nice win before Christmas.

May I take this opportunity to wish all members a happy Christmas and a healthy 2026 and we look forward to meeting new members who want to join the Over 50's family.

### **Outlook – Happy New Year!**

Thanks to all those who have renewed their subscriptions – I hope you are finding the envelope system convenient.

Apologies to those who have printed copies – I made a whoopsie in doing the cover and put the wrong price on. Unfortunately, it hasn't gone down in price from last year! And also for the late delivery last month, when the Carriers decided to take the covers on extensive tours of Norfolk and then back to the Depot each night. We got them eventually! Many thanks to Sara Stephenson who completed them as we were away.
