## The Voice of the Turtle Dove

The wedding season is beginning. A Bible reading often selected by couples is from the Song of Solomon, evoking the arrival of the season of love, when *the winter is past, the rain is over and gone. The flowers appear on the earth ... and the voice of the turtle-dove is heard in our land.* With its soft purring call and affectionate courtship, culture associates the turtle dove with love; while, as a migratory bird, like the cuckoo and swallow, it arrives in Europe each year from sub-Saharan Africa as a harbinger of spring. Through the prophet Jeremiah (8<sup>7</sup>) the Lord contrasted the reliability of its arrival (together with the stork and swallow/swift) with the unfaithfulness of his people.

In Hebrew, this kind of dove is distinguished from other doves/pigeons, such as the one released by Noah from the ark. The Hebrew name *Jonah* derives from the word for the latter; while the turtle dove is *tor* – a name similar to *turtle*, from the Latin *turtur* – probably relating to the iridescent marking on its neck; possibly also its call. Both turtle doves and pigeons are prescribed in the sacrificial system, as in the offering when Jesus was presented in the temple.

Sadly, many of our wedding couples will have never heard or seen a turtle dove. From being a common farmland bird they have declined dramatically. Each year I wonder whether *the voice of the turtle dove* will be heard again in Beighton churchyard, or whether it will be tragically absent. Turtle doves need seed; dense scrub or hedgerows in which to nest; and water: one of many victims of the efficiency of modern agriculture: weed-free crops right up to the field boundary; hedges removed or heavily flailed; redundant farm ponds filled in. They also suffer from being shot on migration through Spain, Portugal and France. But an EU shooting ban, together with targeted conservation measures from sympathetic farmers, mean that conservationists ([www.operationturtledove.org](http://www.operationturtledove.org)) are confident that this decline can be reversed. Certainly rewilding of the Knepp estate was to the species' liking.

On Sunday 8<sup>th</sup> September, our benefice, together with local Methodists, will be *Celebrating Nature* with a special service (10am) and display (11am - 1pm) at St. Edmund, Acle. The display will show what some local organisations and individuals are doing to promote nature (contact me if you'd like an invitation).

Human activity has done much damage to the natural world. Jeremiah's turtle dove and swallow acted as warning signs to God's people. The pigeon/dove released from the ark was a sign of hope, following a natural catastrophe (the Flood) which is attributed to God, but is the consequence of human sin. Significantly, God's saving action then was directed not only at Noah's righteous family, but the innocent species with which they shared the earth.

The question for us is whether we will heed the warnings nature presents to us today (not only species declines, but floods and other signs of a disrupted climate) and join in with all those who are taking action to save it.

In the love of God,

Martin Greenland

### St. Botolph's Limpenhoe – Questionnaire

Ahead of essential repairs and desirable improvements to the church, we are circulating a questionnaire to everyone who has an interest, asking for their views on making the church accessible to more people and expanding its uses, whilst maintaining its primary function as a place of worship.

We welcome all views and will take everything into account during this research and planning phase.

If you would like to help us, please contact Tim or Chris and we will send you a Questionnaire.

Many thanks for your help with this.

### 1<sup>st</sup> Freethorpe Scout Group

We've recently held our Open Event for a new Beaver Colony, for boys & girls aged 5 ¾ to 8 years old, which was enjoyed by young people & parents from the local area trying out activities such as making friendship worm crafts, toasting marshmallows and having a go at soft axe throwing!

Meanwhile our Cubs, which is for boys & girls aged 8 to 10.5 years old, recently attended the District St George's Day Event in Great Yarmouth and have been busy working on their Chef's Badge.

We are looking for some additional adult volunteers to join our team either working with the young people on Thursday evenings, or behind the scenes helping us look after our equipment, with admin or as a Trustee.

If you want to find out more about how you can get involved – either as an adult volunteer or for a young person - then please email [p.thurston@norfolkscouts.org.uk](mailto:p.thurston@norfolkscouts.org.uk) or register via <https://eastnorfolkscouts.org.uk/join/>

### Reedham Belles (Reedham and District WI)

How timely, at the start of the hat season, that we welcomed Professor Alison Goodrum to our May meeting to talk to us about the secret life of a milliner. Alison has a deep interest in the history and practice of millinery and hatting. She brought along several of her own fabulous creations which we were allowed to model and she gave us an insight into their individual stories along with the history of millinery. It was a lovely talk that has inspired several of us to maybe have a go at making one ourselves!

Our June talk has the slightly fruitier name of 'Bed and Breakfast to Bed and Bondage' so we look forward to that with trepidation. It will be held on Tuesday 4<sup>th</sup> June at 7pm (for a 7:30pm start) in the village hall. All local ladies are welcome to come along, and we are always keen to welcome new members to join our varied programme of events.

**RSPB Talk (26 April 2024)**

We are most grateful to Tim Strudwick – Senior Sites Manager of the RSPB reserves at Mid-Yare, Sutton Fenn, Berney Marshes & Breydon Water - who gave a fascinating, illustrated and detailed talk about the wildlife of Halvergate Marshes – past, present and future. An audience of over 50 people flocked to St Andrew's church on the night, and I'm chuffed to say that £300 pounds was raised for church funds! Thank you to everyone who supported the event, and to those who helped with refreshments and car parking.

**Saturday 22 June 2024, 7pm at St Andrew's, Wickhampton**  
**“The signs of the times” – how to read Medieval Art**

A talk by Imogen Corrigan MPhil, FRSA

Our ancestors left so many signs and symbols in their art – some more easy to decipher than others. We will be guided through where such images might be found, and the forms they might take, as well as what they meant to the medieval viewer. This talk considers art ranging from formal sculpture and rough graffiti to wood carvings, roof bosses, wall paintings and glass of the period c1100 to c1500.

The church café will be open for light refreshments. Tickets: £5 (cash please).

For more information and to book a pew: email [wickhampton@gmail.com](mailto:wickhampton@gmail.com)

**Jacqueline (Jackie) Ann Foreman (née Hewitt): 18 December 1962 - 4 March 2024**

Jackie was laid to rest in St Andrew's churchyard on 28 March 2024, next to her late father. St Andrew's is the Hewitt's family church where weddings, baptisms and funerals have taken place over many decades as, originally, they lived in one of the Thatched Farm Cottages and also at No5 Low Road, Wickhampton. Over 260 people attended the funeral service, with the church filled to capacity and overflowing into the porch and the churchyard. The love and support for Jackie and her family was strongly felt throughout the service, and our church family offers Christian sympathy and fellowship to all her dear family and so many friends. Rest in peace.

**Reedham Ringers**

We continue to practise every Monday and have rung at Reedham church for a number of recent events. We will be joining in the national commemoration of the 80<sup>th</sup> anniversary of the D-Day landings on 6<sup>th</sup> June. Listen out for us at 6.30pm when all towers, across the country, have been asked to ring their bells to remember the events of 1944 that led to the final defeat of Nazi Germany.

As holiday season comes round once more, please remind any visitors who may be bell ringers that Reedham Ringers welcome visitors to their practice at 4pm every Monday afternoon. If any local people are interested in learning to ring or would like to resume ringing after a lengthy gap (the longest so far for us is 60 years), then please get in touch.

Light refreshments & a warm welcome await you. For further information, please contact Jayne Smith on 07584 825749 or email [jaynesmith15@btinternet.com](mailto:jaynesmith15@btinternet.com)

### **OVER FIFTIES**

As I write this, we are halfway through May; where is the time going? It is flying. I remember as a child at school the time always seemed to drag, and my Nanny would always tell me 'Don't wish your life away, the older you get the quicker it goes'. How true those words were.

The club has had its first coach trip and some members enjoyed a day out at the Spalding Flower Parade. The weather was good and some members are now looking forward to the next one which is to Ely.

Members that have a May birthday will be having their celebration buffet on May 21st. We meet at Reedham Village Hall every Tuesday, club starts at 2pm but we are open from 1.30 p.m.

### **LOTTERY NEWS**

At the time of going to press the lottery has not been won so a lucky winner will enjoy a jackpot of over £200.

### **COACH TRIPS**

A huge thank you on behalf of All Saints Beighton for the marvellous support at the ceilidh on 20 April. Over 60 people came from far and wide to contribute to the fantastic atmosphere with enthusiastic dancing from the first note played by the brilliant Keel Band. The superb buffet was eagerly consumed at half-time and the barman was kept very busy all evening keeping up with thirsty dancers. A wonderful profit of £500 was added to the restoration appeal fund.
