### Summer Reflections: The journey of discipleship - 'we thought we knew!'

During the summer I will be leading a series of reflections at the Sunday services exploring the theme of discipleship. It will be an opportunity to reflect on what it means for us personally and collectively to be disciples of Jesus at this time and in this place. Are we open to where Jesus might lead us as we follow Him? The most common phrase I have said to myself in following Jesus is - 'I thought I knew!' The journey never seems what we expect or imagine, but that is the wonder and mystery of discipleship.

The reflections will be offered from 6th July - 10th August and will also be made available in audio on the Benefice website.

At the end of the series there is an opportunity to have a time of discussion about the theme of discipleship over tea and cake with us at Grove Barns. If you are interested in coming along to a discussion group on Tuesday 12th August at 3pm, please sign up for this by 20th July. Depending on how many people are interested in this a further date can be added to ensure the group isn't too large for a time of discussion.

### Reedham churchyard maintenance

Tuesday June 10th for the next clear up at Reedham church yard. 10am start and stay for as long or as little as you would like. The contractors have started to cut the grass on a regular cycle so it falls to volunteers

to make sure that fallen branches from trees are removed, self-seeded sycamores and similar are uprooted, and the place is generally tidied up. Please bring handtools if you have some and strimmers might be useful.

If the weather is very bad, we will postpone.

Mary Jones (01493 701388)

**Sunday 27 April 2025: Norfolk Church Tours (NCT)**

A convoy bringing around 50 people for a tour of St Andrew's church rolled into Wickhampton on this sunny Sunday. The fascinating tour covered both the exterior and interior of the church, and was led by 'Lynn Stilgoe, Richard Barham and Michael Pollitt. Everyone stayed for tea, coffee, cake and a mardle, and then moved on to Halvergate church. A big thank you to all who helped on the day with parking and refreshments, and to NCT and the "tourists" for their very generous donations to church funds.

**Monday 5 May 2025: Wickhampton Village VE Day picnic**

Villagers gathered at Wickhampton Playground on a pretty windy Bank Holiday Monday, commemorate the 80<sup>th</sup> Anniversary of Victory in Europe Day. The weather didn't dampen spirits, and there were some terrific picnics on display, helped along with a glass or two of bubbly, and accompanied by music of the era. Thanks to everyone who came and joined in.

**FUNDRAISING EVENTS PLANNED FOR 2025** at Wickhampton church**Saturday 14 June, 7pm: "My journey through Radio" with David Clayton**

Born in Yorkshire, David moved to Gorleston-on-Sea in 1963 (his favourite place in Norfolk), so he's very nearly a local now! He fell into being a disc-jockey, and was plying his trade round the clubs and dance halls of Norfolk back in the disco days of the 1970s. He also began broadcasting on Hospital Radio and, when the BBC was looking to launch Radio Norfolk in 1980, he persuaded them to give him a chance. The rest, as they say, is history!

Tickets: £7.50 – cash on the door please.

For more information, email: [wickhampton@gmail.com](mailto:wickhampton@gmail.com)

**Sunday 17 August, from 11am: Teddy Bear Parachute & Zip-line day**

This year will be our 7<sup>th</sup> Teddy Bear Parachute Day - a fun-filled day for all the family, with refreshments, ice creams, tombola and raffle. Treasured toys and intrepid teddies, dolls, superheroes (and the occasional unicorn) will leap off the top of the 66ft tall tower of Wickhampton church and parachute, or whizz down the zip-line, returning gracefully to earth!

COME AND JOIN THE FUN!

### **The Reedham Ringers**

In May, we rang on the morning of Pope Francis' funeral to mark his passing. Tolling a church bell to announce a death has been the custom for generations and, in days before electronic communications, the number of tolls of the bell informed the local community not only of a death, but also gave information about whose death. Traditionally, it was 3 strokes for a child, 6 strokes for a woman (2 sets of 3) and 9 strokes for a man (3 sets of 3) prior to the tolling, when 1 stroke would represent each year of the deceased's life. Hence, if a 73 year old man had died, the village would hear 3 sets of 3 bongs followed by 73 slow and solemn tolls. The expression The Nine Tailors comes from this custom.

We also joined hundreds of towers across the country to mark the 80th anniversary of VE Day at 6.30pm on 8th May. We will ring again on 15th August to celebrate the final peace in Europe on VJ Day 1945.

Reedham bells are celebrating their own anniversary this year. The original 5 bells were cast by Thomas Mears of London in 1825 and hung the same year by local bell hangers and ringers, Thomas and Joshua Hurry of Norwich. A sixth bell was added following a church fire in 1981. The Bishop of Norwich's chaplain led a service at Reedham on Bell Sunday, 18th May, where we celebrated 200 years of the bells and gave thanks for the contribution of bells and ringers to the community. Later, a number of local people climbed the tower to see the actual bells and a few had a try at chiming. Thank you to everyone for your support.

The ringers practise every Monday at 4pm. If you are interested in bell ringing, come and have a chat with us. We would also love to hear from any lapsed ringers, who perhaps learned to ring decades ago and would like to give it another try. A number of our band have returned to ringing after a gap of 50 years. It is not exactly the same as riding a bike, but a few supported sessions on some easy to handle training bells will soon let you know whether you still have the handling knack.

The sun shone for us in May on our monthly walk, this time around Burlingham, taking in beautiful Hemblington church and an outdoor lunch at Fairhaven. Choir and book club continue as usual, and with the promise of sunshine we are looking forward to a meal at the Pier in Gorleston with who knows, maybe some paddling!! We have a theatre trip to see a Beatles tribute act later in the month and are busy preparing plants for the Norfolk Day stall in July. We will have a stall at the Village Hall on 31<sup>st</sup> May, so if you want to find out more about what we do, come along and meet us. Our June meeting will be on Tuesday 3<sup>rd</sup> June at 7.30 in the village hall, where our talk is "blood, sweat and fears!" by Mary Newton, a forensic scientist. This promises to be an interesting evening, so come and join us if you dare!

Meeting held on Monday 12<sup>th</sup> May 2025 in the Village Hall

There were 7 Councillors present, the Clerk, District Councillor Nurden and 5 members of the public. The meeting commenced at 7.30pm.

As this was the annual council meeting elections took place for Chairman and Vice Chairman. Cllr Hale was unanimously voted for as Chairman of Reedham Parish Council, and Cllr George was unanimously voted Vice Chairman.

Mary Blanche presented a mock-up of the proposed Reedham Remembers interpretation panel to the Council. Mary explained some of the reasoning behind the layout and how this maximises appeal to the public. She advised that some content was from Ian McLachlan's book "Final Flights" and that he had given permission for it to be used. There will also be a QR code linking to the Time Team YouTube video.

The Annual Parish Meeting was held on April 28<sup>th</sup> and the Council have received good feedback on the meeting; some people mentioned that not all the speakers could be heard clearly, but overall the comments were favourable. Cllr George said maybe some changes could be considered for next year to make it a more social event, and the use of a microphone would help speakers be heard.

The Clerk circulated a report on the usefulness of bleed kits in rural communities.

There is a wide range of opinions on this, however most rural parishes do have a bleed kit located inside one of their defibrillator cabinets. The Council decided to purchase a bleed kit to be located in the Riverside defibrillator cabinet.

In April the speed sensor was located on Halvergate Road near Pettitts, collecting data from traffic entering the village. The speed limit here is 30 mph.

The 85th percentile was 32.2 mph; the average speed was 22.6 mph. The average vehicles per day was 309. This is comparable to the data collected at this location in April last year.

Cllr Barnes reported that the Land Registry registration of the former railway cutting known as the Woodland Walk, as Reedham Parish Council land, has been done, but the returned documents do not include

the footpath which was on the original conveyancing document. He has requested that Cllr Hale actions contacting Norfolk County Council to establish ownership of the footpath.

The Clerk has received complaints about the public toilets in Reedham; these have **13.** been reported to Broadland District Council. The plumbing problems with the ladies' toilets have been resolved; however there are still some outstanding issues with both toilets which are being addressed by the Broadland DC maintenance contractors.

A member of the public has requested additional 'No Dog Fouling' signs facing the river on Riverside as there has been an increase in dog fouling since the start of the tourist season. The Clerk will source additional signage.

### **Time and Date of Next Meeting**

The next scheduled meeting of the Parish Council is Monday 2nd June 2025 at 7.30pm, in the Village Hall lounge. Further details will be published on the website, Facebook page and notice board by the Doctors nearer the time. All parishioners are welcome to attend.

### **OVER FIFTIES CLUB & LOTTERY**

We have had a lovely month at the club and the icing on the cake was our VE Day afternoon. We invited some residents from the Old Rectory Care Home to join us for the afternoon. We had a lovely buffet which included jelly and cream and muffins with Union Jack flags on the top. Every person was given a hand-held Union Jack and Karl provided the music to which everyone sang along and waved their flags. The last post was played so we could remember the poor souls who fought for our freedom but did not return, then Karl played all the familiar war time songs to celebrate the ones that did return and gave us our freedom to which we are all eternally grateful.

At this point I would like to thank the committee and all members who contributed to the food, and of course our two lovely kitchen ladies Wendy Gitsham & Sally Cory who made the jellies and muffins.

We have three membership spaces so if you are thinking of joining us don't hesitate join now. Our membership is £7 and weekly subscriptions are £3. We meet every Tuesday at Reedham Village Hall, just come along at 1.30pm. All villages are welcome, we actually have members from Ormesby and Lowestoft, in fact we have one member from Attleborough. If you have no transport we can ask if anyone is available to pick you up..

**LOTTERY NEWS** At the time of going to press our in house bingo lottery has not been won and this week the jackpot will top £200. If you would like to join it is £1.00 per week and helps to support our club. This is open to non-club members as the more players the bigger our jackpot. If you would like to join just give me a ring.

**Dear Reedham community, I4.**

We have had a busy start to the summer term and have just finished SATs! Children have been out and about taking part in forest schools

**PFA Allotment** - Thank you to all the parents and children who joined the team to clear our new allotment, during the Easter holidays. It's looking great – we will be taking children up in teams to tend to the plants.

**VE Day Picnic** - Thank you to all our families for coming in to join us for a lovely afternoon of picnicking and activities to celebrate 80 years since VE Day was declared. It was an amazing turn out and such a lovely experience for families, staff and children to share.

We are looking forward to all the good things we do to make a difference to our children and families.

Come and say hello to us and enroll your small person in our nursery (we take children from age two). We will be at the Reedham Village Hall community event on Saturday 31.5.25 with a bouncy castle. Best wishes
