After years of being asked *What's the difference between a Vicar and a Rector?** I can see I'm now going to have to prepare an answer to *What's the difference between a Vicar/Rector and a Canon?*

Having been installed as an Honorary Canon of Norwich Cathedral, it's now becoming clear what the role entails! The Honorary bit is certainly true, both in the sense of being unpaid (like Rural Dean!) and in that it expresses recognition of service. Thank you for adding to that with your messages of congratulation and endorsement – I appreciate them.

I've learnt that there are 24 ordained Honorary Canons, all in active ministry – including some locally familiar faces: Damon Rogers, Nick Garrard and Paul Cubitt, all formerly of this deanery; also former Bishop's Chaplain Susanna Gunner. There are also 12 lay canons (one, Claire Gilbert, was installed along with me) and ecumenical canons. Together we form the College of Canons, which is part of the formal Foundation of the cathedral, meeting 3 times per year and acting as a kind of consultative committee. We are not to be confused with the Residentiary Canons, who run the cathedral along with the Dean and the rest of the Chapter. That said, I may occasionally be invited to contribute to worship, most likely by preaching at Sunday Evensong.

Within the diocese I am asked to be an ambassador for the Cathedral. When he visited our deanery synod, Dean Andrew said that he considered the Cathedral's ministry complemented that of our parish churches. It exercises a very extensive ministry: daily worship; the mother church of the diocese (as when it hosted our clergy conference); ministry to the institutions and charities of the city and county; a centre for theology, history, art and science; a popular visitor attraction and an education centre for visiting schoolchildren. I will continue to pray for its ministry, but in a more informed way; as it prays for ours.

In the love of God,

Martin Greenland (The Reverend Canon, if you are wondering!)

* Under the former means of financing the clergy, Rectors received the full tithes – but also had responsibilities in relation to the upkeep of the chancel and providing for parishioners. But not all who were entitled to the tithes wanted to or were in a position to do the actual work of a parish priest: they would employ a Vicar to do that (vicariously) paying him a lesser share of the income. Memorials in All Saints, Freethorpe declare that Lord of the Manor Richard Vade Walpole was the 'impropriator of the great tithes' of the parish: I assume the resident clergyman was a vicar. At St. Edmund, Acle, a 17th century brass commemorates Thomas Stones, Rector of Acle (where he diligently ministered)

and of Wickmere (15 miles away) and 'parson of East Dereham' (over 25 miles away) – where, thankfully, there was a vicar to perform actual ministry! These days, Rector and Vicar are historical titles with no contemporary distinction – unless your benefice is presided over by a Team Ministry (e.g. Great Yarmouth, or Flegg) in which case the senior member and incumbent is the Team Rector and the other clergy, Team Vicars.

Parish Notes

St. Edmund's **Gift Day** will be at the *Village Market* on Saturday 1st (9.00am – 12 noon); after this date donations can be delivered to the Rectory (or use the contactless device at the back of the church). We are grateful to the residents of Acle who support their parish church in this way.

Remembrance Sunday (9th) will be marked at the memorials at Halvergate (10.50am, followed by a service in church), Freethorpe Methodist Church (10.50am), Reedham (10.55am) and St. Mary, Moulton (12.30pm); and by Acle Churches Together at St. Edmund's Church (3.00pm).

We will be honouring **St. Edmund** in Acle twice this month, with a Patronal Festival Holy Communion at 11.00am on Sunday 16th and sung Evensong with the Benefice Choir at 3.30pm on Sunday 23rd. The latter will feature settings of the canticles specially composed for us by Jeremy Dickson, one of our members.

The local **Methodists** have had a change around: we welcome the Revd Steve Oliver, who will be ministering in our area (combining it with Gorleston) and participating in both Freethorpe Area and Acle Churches Together.

Acle Churches Together **Carols on the Green** will be at 7.00pm on Thu 4th Dec. This year (weather permitting!) we will be hosted by Co-operative Funeral Services from their adjacent premises (if the weather is bad we will relocate to St. Edmund's Church). A cash collection will be taken for Great Yarmouth charity *Centre 81*, which operates community transport and an activity centre for people with disabilities.

Women's Night Out

All are welcome to join the Wednesday Night Out members on November 5th at 7.30pm in Freethorpe Village Hall, when Dan Smith will be the speaker on Theatrical Costume and Design

Guests cost £3 on the door including light refreshments.

These months seem to be going so fast, Christmas will be upon us before we know it. This month we have a Halloween and October members birthday buffet. The club calendars are under way and I am working hard on the design. Next month is our Christmas party at Reedham Village Hall. Then it is our Xmas lunch at Acle Bridge and we have a Christmas break until we re-open again on January 6th 2026. If you want to join us, just come along any Tuesday to Reedham Village Hall at 1.30pm. It is £3.00 per week and this includes refreshments. If you know anyone who lives alone and would like to enjoy company with friends then do encourage them to join. We are open to all surrounding areas.

Our lottery bingo was won by Diane Rushbrook; her prize was £231.00 and Diane very kindly gave the club a donation, for which we are very appreciative. Our lottery is open to non-members as well so if you want to join just give me a ring. Until next month take care and look after yourselves.

Reedham Belles (Reedham and District WI)

In an effort to keep our spirits high as the Autumn set in, the film club kept us busy in October with trips to the very plush Norwich Odeon, an even plusher private viewing at Lesley's, and the familiar surroundings of our own village hall. Some of our "Twinkletoes" walkers rose to the challenge of the overnight "Shine" walk around Norwich, raising some £1500 for Cancer Research, in addition to choosing one of the most splendid days in the month for a walk around Hickling Broad, taking in the beautiful church of St Nicholas in Potter Heigham (see picture on back cover). A coffee morning, games afternoon and evening book club also took place, and our recent visit to Clippesby Base Camp proved sufficiently popular to tempt us to try our hand at the mini golf course there.

Our November meeting is on Tuesday 4th November in Reedham Village Hall at 7 for 7.30 pm. Following on from our support in 2024 of the commemoration of the 1944 385th bomb group collision, we look forward to welcoming Ian Mac to talk to us about GI brides. Do join us. New members are welcome at most events, the first 3 of which are free of charge.

Halvergate Remembers

The Annual Act of Remembrance for those who lost their lives in the two world wars will take place in Halvergate on Sunday November 9th. It will start at the Memorial in the centre of the village at 10-50am when the names of those from Halvergate, Tunstall, Freethorpe and Wickhampton will be read out, together with the names from the air crashes across the Halvergate Marshes. The two minute silence will be observed. Following this there will be a service in the Church.

Pamela Butcher

The ringers recently enjoyed a late summer outing to some Norfolk churches to play on their bells. A group of 14 visited Ashill, Watton, Reymerston and Barnham Broom, but it is always nice to return home to our own, familiar bells.

Advent is fast approaching, always a busy time of year for church bell ringers. Once again we will be offering handbell carols to local churches. If you are interested in joining us, please get in touch. We usually ring 12 bells so require 6 ringers, 2 bells per person. Unlike our big tower bells, music is provided and the only skill required is a sense of rhythm and the ability to move your arms up and down in a co-ordinated fashion. Is anyone interested in having a try?

https://www.paypal.com/donate/?hosted_button_id=YFAB336NFZFGE

We shall be having the bonfire on the playing field, and in order to have control of the size and what goes onto the bonfire it will be stringently supervised. Burnable materials will be accepted on the 7th of November. After this, we will not allow anything else to be placed on the bonfire, and it will then be barricaded off. This is necessary for preparations for the evening event. The bonfire and firework display could be cancelled on the night, if strong winds or adverse weather condition, you will be advised of another date in the Mercury, Facebook, on notice boards and on the village halls web site www.reedhamvillagehall.co.uk The village hall will NOT allow any unsafe combustible items, e.g. mattresses, sofas, foam cushions, glass with or without frames, tyres, and plaster board, or any material that will give off harmful smoke into the atmosphere. You will also be limited on the size of tree branches or posts etc to 4" in diameter. We hope that you will understand that for Health and Safety and Environmental reasons why these measures have to be in place. Bonfire could be cancelled and given another date!

Christmas Party 30th November. Come along to Christmas Disco with party games for all the family, there will be a Santa's Grotto, singing by Laura Daisy, Christmas Carols around the tree, from 3 - 6pm. so come along and get into the Christmas spirit.

Women's Night Out

All are welcome to join the Wednesday Night Out members on November 5th at 7.30pm in Freethorpe Village Hall when Dan Smith will be the speaker on Theatrical Costume and Design
Guests cost £3 on the door including light refreshments.

Meeting held on Monday 6th October 2025 in the Village Hall. There were ten Councillors present, the Clerk, District Councillor Nurden and eight members of the public.

The Clerk gave an update to the Council:

The Interpretation Panel has been installed and the slabs in front of the seat at the junction of New Road and Mill Road have been replaced.

The new Village Sign has been put in place – the installation has been paid for by an anonymous donation.

The Clerk also advised that Reedham Post Office will be permanently closed from 1pm on Wednesday 15th October.

Beth Spaul, Academy Head Reedham Primary & Nursery School, gave an update on the trial of new school hours. This will run for one academic year and is hoped to enhance teaching quality, pupil outcomes, and staff wellbeing.

Plans for the village Christmas tree are going well. Cllr George gave the Council a comprehensive report and confirmed that the Working Group are proposing the following:

- ☐ A 15ft tree located on The Nelson car park, supported by a frame and sandbags.
- ☐ Approaching local businesses for sponsorship.
- ☐ Applying to Broadland District Council for permission to power mains lighting from the Quay Rangers hut on Riverside.
- ☐ School to be invited to decorate eco-friendly baubles for the tree.
- ☐ Three events in December, held on Thursdays, around the Christmas Tree.

The Council approved all the proposals.

An allotments inspection was carried out in September; most plots are in good condition. One plot changed hands on 1st October, there are still 7 people from Reedham on the waiting list. A new noticeboard is being delivered and installed in October. The allotments AGM has been arranged for 23rd October, all plot holders are invited to attend.

The Council approved an estimate of £380 to repaint the railings at the War Memorial, this will be done before the Remembrance Service on Sunday 9th November.

The new bollards have been installed on Middle Hill, this closes the road to through traffic, apart from cycles, making the road safer for pedestrians.

In September the speed sensor was located on Mill Road, facing North, near the junction with The Hills and Holly Farm Road, collecting data from traffic coming towards the school. The speed limit here is 30mph. The 85th percentile was 27.2 mph; the average speed was 21.5 mph. The average vehicles per day was 287.

Time and Date of Next Meeting:-

The next scheduled meeting of the Parish Council is Monday 3rd November at 7.30pm, in the Village Hall lounge. Further details will be published on the website, Facebook page and notice board by the Doctors nearer the time. All parishioners are welcome to attend.

We would like to thank everyone for their support of our fundraising Prize Bingo on Saturday 11th October. We raised the fantastic amount of £978 for Acle & District Poppy Appeal 2025

Our next fundraising event is a concert by The Seaside Ukulele Band. This is taking place on Sunday 2 November at 2pm in Acle Recreation Centre.

Tickets are £6 in advance available from Acle Post Office, Acle Chocolate Pet & Toolbox or direct from Jayne Smith. Tel 07584 825749. Tickets are also available for £7 on the door. Come along for a varied & enjoyable afternoon of entertainment. All in aid of a good cause.

The next monthly meeting will be held in the Bure Room of Acle Recreation Centre on Wednesday 5 November starting at 7.15pm.

A note for the diary. On Wednesday 3rd December we will have a UEA Lecturer giving a presentation on V2 rockets. Same venue. Free entry. All welcome

The Returning Christmas Hamper

The Christmas Fayre 2024 was going with a swing when a couple popped in on their way to an appointment. They bought one raffle ticket. When the tickets were drawn the couple from Upton won the Christmas Hamper as first prize. They called at the house to collect the hamper the next day. Delighted with such a lovely selection of goodies for Christmas and they were so interested to hear all we were doing to improve the church they asked if they could make a donation. Our Treasurer happily received a generous donation by BACs a few days later.

This year a fundraising Afternoon tea and Quiz was booked for 12th October, in the church hall, so a couple of days earlier I went shopping for supplies. On my return David announced that during my absence he had visitors. It was the winning couple from Upton. They brought back the hamper and donated an M&S Christmas cake to start it off again!!

We were not to know our welcome and time spent talking to these strangers could have such wonderful results. It is so heartwarming to know there are still generous, kindly and thoughtful people amongst us.

Now with the hamper back and the first item received can we please ask if you could donate some more items to fill it again?

This year's Christmas Fayre will be on 29th November, in St. Edmund's Church Hall from 10 to 2pm. We have already been promised another beautifully decorated old fashioned Christmas fruit cake for auction from the same generous lady who donated the cake last year. That one made £50 at auction.

Here is a chance to make some funds for your own church as there are still some stalls available. Please contact Diane 07969 341943 if you are interested.

All other proceeds will go to St. Edmund's church funds.

Sunday 14 September 2025: Benefice Service at Wickhampton church

The theme of the service took inspiration from the well-known hymn, *All Creatures of our God and king*, and also from the *Canticle of the Creatures* by St Francis of Assisi. The congregation was joined by several creatures – examples of very skilful taxidermy – including the fabulous otter (see photo), and a (small) parliament of owls amongst others. Our thanks to Neil Nicholls for sharing tales (tails?) of his time as a taxidermist, and for bringing the display of his past work. To illustrate St Francis' Canticle, which offers praise to God through all creatures; the sun; the moon and stars; wind; water, fire and mother earth, we must thank Bob Ottaway for preparing a slide show of his wonderful photographs.

Sunday 14 December 2025 at 4.30pm: Carols by Candlelight at St Andrew's church

Wrap up warm and come join us for carols and festive fare! We can't promise figgy pudding, but there'll be mince pies and mulled wine to warm your cockles!

Cantley & District W.I.

Our next meeting will be held on Wednesday November 19th at 7.30pm in Cantley Village Hall. Instead of a speaker Carol will be taxing our little grey cells with a quiz ! For more information contact Barbara on 07789845050. New members always very welcome.

Bure Valley Conservation Group Award – see back cover.

Bure Valley Conservation Group is delighted to have received a 2025 award from Norfolk Biodiversity Partnership. Initiated by Norfolk Wildlife Trust and based in Acle, the group became independent in 2015. Every Wednesday morning, roughly 20 of its members assemble somewhere to perform practical conservation work to benefit local wildlife and make it accessible to local communities. From the beginning this has included Acle's Damgate Wood (e.g. relaying the path) and Roman Wood (diversifying the woodland and cutting the wildflower meadow). We perform at least

an annual cut in a number of churchyards, including Beighton, Southwood and Hemblington (pictured); and, from this year, Reedham. You may recognise at least one of the team (minus his dog collar)! MG

Reedham Churchyard

Many thanks to those who laboured in the churchyard on 7th October – at least the Alexanders is a bit scared after our 'Search and Destroy' mission – and the North West churchyard looks much better.

In case anyone is wondering why we don't have a bonfire of all the twigs and branches in the pile, this is to increase bio-diversity by providing shelter and decaying timber for animals and insects and to avoid releasing Carbon Dioxide back into the atmosphere.
