From the Rectory

3.

One outcome of my sabbatical is that, as I end my time as Rural Dean, I've agreed to take up a new position as an Eco Chaplain within the Diocese. So what's that about? It's a voluntary role, open to lay people as well as clergy, encouraging and supporting responses within the Diocese to the present environmental crises (e.g. climate, biodiversity).

In many cases that will involve supporting churches, like Reedham, registered on A Rocha's *Eco Church* programme; or at least signposting to more expert sources of advice. That could be with community engagement events; or promoting personal actions; or queries about lowering the church's carbon footprint (for which Rosalind Bacon is the Diocesan Advisor) or, what I know most about: how to promote biodiversity in a churchyard.

All this contributes to the fifth of the five *Marks of Mission*, developed within the Anglican Communion and adopted by the Church of England in 1996: *To strive to safeguard the integrity of creation and sustain and renew the life of the earth.*

That wording is interesting. *Integrity* implies to me something about the natural world's *identity as God's creation*: not just a resource to be exploited or the backdrop for a human-dominated world. It also recognises that the natural world consists of a life-sustaining *network of relationships and dependencies*, involving both animate (e.g. plants, bacteria, humans) and inanimate entities (e.g. water, air, nutrients). The verb *safeguard* suggests a defensive stance in presence of neglect or threat to that integrity: it's an identity humankind has failed to respect; a network disrupted by human activity. We need to preserve what we have left, what is still functioning, while there is still time. That 'call to arms' is necessary in the face of the urgency of the environmental crises and the many things which hold us back: dismissal of the evidence, inertia and procrastination, competing demands, feelings of powerlessness, prioritisation of our own desires. But it can also be disheartening, perhaps particularly for those who have been alert to this for a long time: feeling that however much we *strive* we're fighting a losing battle.

The second half of the statement is different. Theologians say that *sustaining the life of the earth* is what God does – he who, according to Jesus, doesn't overlook the fall of a sparrow, is in continuing life-giving relationship with his creation. *Renewing the life of the earth* comes from Psalm 104, where it is the work of God's Spirit. We can see evidence of resilience and renewal within nature itself: in regeneration after wildfire, for example, or when peatland is re-wetted. To *sustain* and *renew* are not solely human tasks, but the work of the Creator – and we, with the rest of creation, are invited to join in. The Eco Church responses I've already referred to (engaging communities, promoting personal action, reducing emissions, encouraging biodiversity) are all positive, Spirit-inspired actions, making a difference now and generating hope for the future. I hope I can make a positive contribution.

In the love of God,

Martin Greenland

Parish Notes

4.

Martin will be commissioned as an Eco Chaplain within the Diocese at Norwich Cathedral on Mon 19th October at the 5.30pm Evensong: all are welcome to attend. He is taking his display of over 150 of his sabbatical photos of insects in churchyards to the diocesan *Sacred Spaces* event on Sat 10th Oct (free, but you need to book): www.dioceseofnorwich.org/event/sacred-spaces-churchyards-for-nature/

We are reinstating *First Friday Morning Prayer*: an opportunity to pray daily Morning Prayer with others at 9.30am on the first Friday in the month, at a different church each month. We'll begin in Cantley Church on 2nd October, then Beighton on 6th November.

Note the Festival Church Holy Communion at St. Margaret, Cantley on Sunday 11th October (10.30am).

Harvest Thanksgiving will be marked at Halvergate and Acle on 18th October.

From my sermon for Harvest Thanksgiving (at Beighton):-

The C of E's recent *theological response to the environmental crises* pertinently echoes the question of the repentant members of the crowd on the Day of Pentecost: **What should we do?** It's easy to feel powerless in the face of global complexity and practices deeply embedded in our culture. But when it comes to food, there are changes most of us are in a position to make, and which, as more people make them, are making a positive difference. Most of us already exercise a degree of choice in deciding what we are going to eat, whether selecting from a menu or choosing what to pick from the supermarket shelf.

So this harvest I'm reflecting on some of data analyst Hannah Richies' key recommendations relating to diet:-

- **Eat less meat**, especially beef and lamb: these meats have the highest environmental costs in terms of emissions and demand for land and water.
- **Eat less dairy**, substituting plant-based alternatives: dairy contributes 1/4 of the carbon footprint of the typical EU diet.
- **Waste less food**. Very little goes in our food waste bin. But it seems I should stop railing against some plastic packaging, because it reduces waste from transportation damage. And not reject food because it's blemished or near its sell-by date...

Parish Registers

Holy Matrimony

Hannah Jane Marno and Andrew Mcilroy on 22nd August at St Edmund's, Acle

Margaret Sinead Billosillo Williamson and Owen Jack Gooch on 5th September at St Edmund's, Acle

Eleanor Marguarite Mitton and Ryan Smith on 5th September at All Saints', Freethorpe

Alice Auton-Warby and Toby David Jacketts on 12th September at St Edmund's Acle

Funerals

We commend to God's keeping:-

Vivienne Sylvia Futter (Sylvia) aged 94 on 27th August at Gorleston Crematorium.

Anne Isabel Jane Hemsall aged 82 on 28th August at St Mary's, Fishley.

David Wynne-Fitzgerald

It is with great sadness we report the death of David, a staunch supporter of the Church and husband to Acle's Churchwarden, Diane. He was a lovely man and will be missed by all. His funeral is at 1pm on Tuesday 13th October at Acle Church.

OVER FIFTIES AND LOTTERY

Where is this month going? The time seems to be flying by.

We have had a mixed month at the club, good things and not so good. The not so good was we lost our member Dennis Ewles who also happens to be my cousin; the club sends condolences to Joanne, Suzanne and the family at this very sad time.

Members enjoyed a splendid meal at Acle Bridge in memory of Alan Curtis (the man with a wonderful smile) who we lost last year. This month would have been his birthday and he loved coming to The Bridge with us. Alan left the club his funeral donations so we put it towards the cost of the meal and members were asked to raise their glasses in memory of Alan who we have missed very much.

We have had our normal birthday buffet for members with August birthdays.

We now have our Halloween buffet to look forward to next month, and we are preparing things for the Christmas party in November. First on the agenda was our entertainment and that was booked this week - so we have lots to look forward to.

Lottery News

Our lottery was won by Sandra Ellison one of our Acle members, Sandra's prize was £270 and she very kindly gave the club a donation for which we are very grateful. If you would like to join it is £1.00 per week, just give me a ring.

It is open to non-members too; you have to be in it to win it. Take care of yourselves.

Angie Woolsey Sec/Treasurer Mob 07585504199

Acle Evening WI

8.

We returned to the Church Rooms in September after our short summer break, where we were delighted to welcome our guest speaker, Sue Sursham. Sue gave us a fascinating and very informative talk about her journey on the Trans-Siberian Express, travelling with her mother through some of the coldest parts of the world and visiting many well-known destinations along the way. Sue brought her journey to life with her wonderful stories and photographs of the beautiful scenery, glimpses of quaint Siberian villages with traditional wooden houses and colourful Orthodox churches as they crossed this vast and fascinating part of the world. It was a journey filled with memorable experiences, and we thoroughly enjoyed travelling along with Sue from the comfort of the Church Rooms!

Our next meeting takes place on 8th October when we will welcome back our guest speaker Stephen Poulter, this time Stephen will be coming to speak about Supernatural Norfolk, sharing with us some of the county's mysterious tales, strange happenings and perhaps a few spooky stories along the way — just in time for Halloween!

Acle Evening WI meets on the second Thursday of the month at 7 for 7.30pm in the Church Rooms, Norwich Road, Acle.

New members are always welcome, please contact Frances Mobbs, President on 07780681865

Reedham Jumble Sale

Wow! Another fabulous Jumble. Thanks to all of you that contributed donations for sale as the event would not take place without you. Thanks to the volunteers for helping organise the event.

Thanks to the JUMBLERS for turning out in their droves to purchase the lovely items we have for sale. The next Jumble will take place on Saturday 20th February 2027. See you there.

Reedham Village Show

A successful show this year. Well done to all the exhibitors and many thanks for your continued support. The new show date for next year will be announced soon. Watch this space.

Thanks to Cobolt Systems Ltd and The Over 50's Club for providing substantial support for our raffle.

Amanda and Ken

Quiz n Chilli - Beighton

Following the good news that Beighton Village Hall is cleared for business as usual, the Church Council will be holding its annual Quiz n Chilli evening on Friday 13th November in aid of All Saints. Tickets £12 Bookings to Kate Ashcroft 01493 751637.

Reedham School - A Wonderful Start to the New School Year! 9.

What a fantastic start we have had to the new school year at Reedham! It has been a real pleasure to welcome everyone back and our pupils have returned full of enthusiasm, excitement and a wonderful readiness to learn.

Our Nursery children have also started the year in style! They are now proudly wearing their Reedham school uniform and are looking exceptionally smart. It has been lovely to see them looking so grown-up and feeling very much part of our school community.

September brings lots of changes for our pupils. Some have moved into new classes and are getting to know new teachers, while others have stayed in the same classroom with the same teacher but have taken on an important new role. Our returning pupils have been fantastic at welcoming and supporting those who are new to their classroom, helping them to feel safe, confident and part of the school community.

We have certainly wasted no time getting stuck into our learning! One of our first exciting experiences was a visit from a **planetarium**, which sparked lots of curiosity and wonder. Pupils asked questions, shared ideas and made connections as they explored the mysteries of space. It was a brilliant opportunity to put our Learning Characteristics into action, particularly *being Curious, Builds Links, Participation and Engage with debate*.

We have also been proud to take part in **Jeans for Genes Day**. Our pupils enjoyed coming to school in their jeans and denim while learning about DNA and the challenges that genetic disorders can create for individuals and families. It was a valuable opportunity to think about what it means to be *Collaborative, Understand and respect equality and diversity*, and to be *Respectful and active citizens*.

It has been wonderful to see our pupils embracing every opportunity, supporting one another and arriving each day excited about what they might discover. There is already a real buzz around school, and we know there are many more exciting experiences to come!

We are looking forward to a fantastic year ahead and to sharing more of our **Reedham adventures and achievements** with our families and the wider village community. Watch this space!

Take care and stay safe

Mrs Hambley (Academy Head)

New Treasurer Needed

Freethorpe All Saints' Church are looking for a person to take on this voluntary role from April 2027. You do not need to be a regular church attendee or have any formal qualifications. If you are interested or would like to know more please contact me on john.boyle2@btinternet.com or 07583210885. Lynda Boyle

Reedham Belles (W.I.)

12.

Following a lovely birthday meeting with some very entertaining Bollywood dancing, we had a busy month of walks, lunches, a private film viewing of one of our books, a quiz evening with our fellow Norfolk clubs and trips to both Norwich on our long-postponed treasure hunt, and Ely.

In October we hope to add to our daffodil walk on the village playing field, planted to commemorate our golden jubilee. Alongside our regular offshoot clubs, we are planning to try our hand at an escape room and to visit Norwich cathedral for the "Time" sound and light show. We will also be looking at ways to support one of the WI causes this year, which is "action on women's homelessness".

This month we meet on Tuesday 6th, when our speaker will be Andrew Sankey, talking to us about sayings and superstitions. Do join us, 7pm for 7.30pm at Reedham Village Hall.

Reedham Churchyard Clear Up

Thank you to those who braved the heat and volunteered to help tidy up the churchyard in August. On a positive note, the weeds had stopped growing during the drought and there was not too much to tidy up!

Please come and help with the next clear up on Monday, 12th October. We will start around 10am, stop for coffee and cake, and then continue until anyone needs to leave. No experience required but bring hand tools and kneelers if you have them.

I hope to see some of you there. It is a friendly occasion and, if a number of us volunteer a few hours now and then, together we can help preserve a valuable, village space.

I cannot promise cake of the quality that we enjoyed in August, but we live in hope.

Mary Jones

Meeting held on Monday 7th September 2026 in the Village Hall

There were 10 Councillors present, the Clerk, County Councillor Thomas, District Councillor Nurden and 7 members of the public.

The Clerk gave an update to the Council:

Highways have responded to the query about the Japanese knotweed at Witton Green. They are aware of its location and where it originates and have advised that they plan to return to the site, probably in September.

Broadland District Council have been contacted about the increase in dog fouling, and they are planning for Public Space Protection Order officers to visit sometime over the coming weeks.

County Cllr Thomas reported that Local Government Reorganisation for Norfolk has been scrapped.

D. Cllr Nurden advised that his £1,000 ward members grant is still unspent - this is available for community groups.

Cllr Thomas reported a disappointing turnout at the four Parish Councillor Surgeries held so far. Following discussion, it was agreed that future surgeries will be arranged on an ad-hoc basis when a relevant officer, such as PC Jackie Chambers or Highways Officer Tom Cox, is available to attend.

A grant application was received from Reedham Senior Residents Club for part-funding of their Christmas Party. The Parish Council approved a grant of £100.

Cllr George advised that the Christmas Working Group will reform and preparation for the Council Christmas tree and events will start shortly.

The Council is now obtaining quotes for work to cut back the overgrown trees and hedge along the upper Woodland Walk footpath, which runs from Holly Farm Road to Low Common.

An update has been received from Greater Anglia regarding parking charges at Reedham Railway Station: Greater Anglia has confirmed that there are no plans to change parking arrangements at this station, or similar stations, so all charges will remain in force.

The Council has agreed to fund a one-off hire of the Village Hall on Thursday 15th October, enabling residents to come together for a community-led information evening relating to the GNLP Call for Sites submissions for Reedham.

This will give the community space to share information, look at the available material, and begin forming a clearer understanding of what the submissions could mean for the village.

In July the speed sensor was located on the triangle at the junction of Pottles Lane and Witton Green, collecting data from traffic coming towards the village. The speed limit here is 40mph. **14.**

The 85th percentile was 34.1 mph; the average speed was 28 mph. The average vehicles per day was 429.

In August the speed sensor was located in New Town on Freethorpe Road, facing North, collecting data from traffic coming towards the village. The speed limit here is 40mph.

The 85th percentile was 40.1 mph; the average speed was 39.8 mph. The average vehicles per day was 927.

Time and Date of Next Meeting

The next scheduled meeting of Reedham Parish Council is Monday 5th October at 7.30pm in the Village Hall Lounge. Further details will be published on the website, Facebook page and notice board by the Doctors nearer the time. All parishioners are welcome to attend.

MEETING FOR RESIDENTS AT REEDHAM VILLAGE HALL THURSDAY 15TH OCTOBER 2026 7.00 - 8.30 p.m.

The Parish Council has agreed to fund a one-off hire of the Village Hall so that residents can come together for an information evening, led by the community relating to the GNLP (Greater Norwich Local Plan) proposals - The following sites in Reedham have been put forward under Broadland District Council's Call for Sites:

1. Barn Owl Close Phase 3 (5.77 ha) Proposed use: Housing Major 50-499 units. Greenfield
2. Land South of Church Road and West of Mill Road (8.13 ha). Proposed use: Housing, Major 50-499 units, other (e.g. utilities infrastructure, Biodiversity Net Gain, community facilities, green infrastructure). Greenfield
3. Nursery House, Station Road (1.63 ha) Proposed use: Housing Medium 10-49 units. Brownfield

The Parish Council will not be involved in running this meeting - it is an opportunity for members of the community to organise and share information at an early stage.

If you care about how Reedham develops in the future, this is an opportunity to start gathering and sharing valuable information that may be needed later.

The sites included in the Call for Sites Report 2026 are presented for information only at this stage and no assessment has been made of their suitability for inclusion within the new GNLP. The assessment of sites by Broadland DC will take place over the coming months and the outcome of this assessment will form part of a future public consultation in June/July 2027 when people can have their say. The promotion of a site at this stage does not mean that it will be allocated in the new Local Plan.

Nomads Theatre Company

15.

Rehearsals for Reedham's pantomime started September! We are performing Cinderella at Reedham Village Hall on 23rd and 24th January.

Anyone is welcome to join the group over the age of 6 years. Annual membership is just £15.

Our monthly quizzes will also resume in September. We run quizzes at The Ship in Reedham at 7:30pm to raise money to keep our group afloat. These are on the second Sunday of each month, with the next date being Sunday 11th October. It is £2 per person with teams of up to 6 people.

Kerri-Anne

Wednesday Night Out at 7 30pm in Freethorpe Village Hall

WNO All are welcome to join members for their meeting when Phyllida Scievens will be telling us about "The Thorpe Rail Disaster "

Members £2 Visitors £3 including refreshments

Cantley & District W.I.

Our next meeting will take place on Wednesday October 21st at 7.30pm in Cantley Village Hall.

Maria Pennington will be coming to talk about the famous glassmaker - Lalique. Very fittingly our competition is for a glass ornament.

For more information contact our President, Carole, on 07796 127853. New members always welcome.

to book transport in advance of the event

Quiz Night

Limpenhoe Village Hall
Church Road, Limpenhoe, NR13 3JB

Friday 30th October
6.30pm for 7.00pm start

Come along and test your brains with another fun-filled quiz
and enjoy a tasty meal

Play as part of a team (up to 6 people),
or we can pair you up into teams on the night
5 rounds and a picture round.

Break after 3 rounds for food & drinks

There will of course be prizes!

Bar will be available

**As the Quiz will have a spooky Halloween theme, we would
invite you to bring along a carved pumpkin for your table.
Prizes will be awarded for the best Adult pumpkin and
the best Child's pumpkin**

Choice of meal

Jacket potato with home made beef chilli
Jacket potato with home made vegetarian chilli
Jacket potato with beans and cheese or
Tuna Mayo

There will be crisps and bowls of chocolates on the table

Ticket price for Food and Quiz £10.00

**Please call Chris Fisk for tickets by Tuesday 27th October
and pre-book your meal 07584 991817**
